

Individuality – right from the start

MANSORY

MANSORY manufactures a child car seat that you would have loved to have had yourself. Custom designed to match your vehicle's interior or your child's favourite colour. The seats are based on the top-rated and multi-award winning Aton 5 and Pallas M-Fix child car seats by the premium German manufacturer Cybex which we enhance with the finest leather, contrasting decorative stitching and luxurious quilted padding without affecting the functions and safety features of the standard seats.
